

Curriculum Vitae

Personal Details

First name: **Vishal**
Surname: **Sakaria**
E-Mail: vsakaria@gmail.com
Website: vishal81.com
Address: 6 Alan Preece Court
16-18 Brondesbury Park, London NW6 7BR

Mobile number: 07930 110 405
Nationality: British
Date of birth: 08 April 1981
Age: 31

I believe the internet is changing the world for the better, and I want to be a part of this change. I can envision great design idea's and implement with code skills while ensuring user experience is simple and effective. I write clean efficient code to give the end-users a fast reliable experience. Aware of the vast amount of devices on the market I always think of responsive designs. Social media integration is at the fore front of my mind when developing products.
